RESPONSE TO RESTRICTION REQUIREMENT

Sir:

Responsive to the Examiner's requirement for restriction mailed August 11, 2004, applicants hereby provisionally elect, with traverse, to prosecute the claims of Group II, namely claims 7-13.

This election is made with traverse since it is believed that the claims of Groups I and II are sufficiently closely related as to permit their consideration in this application. In the event that the Examiner maintains his requirement, applicants respectfully reserve the right to file one or more divisional applications directed to their non-elected claims.
